Subject: 2002 California Post Season Fire Meeting Results

Attached are three products resulting from the 2002 California Post Season Fire Meeting that was held November 5 –7, 2002 in Folsom. The products are:

1. Highlights (notes from the meeting);
2. Action Items; and
3. Dates to Remember (training, meetings and conferences).

The "Action Items" table needs to be reviewed carefully as it identifies the responsible party(s) to complete the action and target dates for completion. The "Dates to Remember" table is not all-inclusive but covers major events that need to be remembered.

I would like to thank the managers from Surprise, Redding, Bishop and Bakersfield for attending the meeting.

If you have any questions, please contact Doug Waggoner, Branch of Fire and Aviation, 916-978-4437.
